### ONLY ONE "BEST!"

Mayaville People Give Credit Where Credit is Due

People of Mayaville who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Mayaville. Here's Mayaville testimony.

Mrs. Elmer Bridges, 206 West Third street, Mayaville, Ky., says:

"I consider Doan's Kidney Pills to be an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried remedy after remedy, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.

### Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health. The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross. Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indecent questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce's Great Family Doctor Book, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

### MAKING NEW GOVERNMENT MAP

Messrs. C. E. Mills and D. E. Youat of the U. S. Geological Survey are at Mayaville making a survey for a new Topographical map in which Unala Sam is making of the country. This morning they were at work in Court street and were re-locating "sea level" bearings, which show the same old mark on the State National Bank corner to be 520 feet above sea level.

### GOES TO CINCINNATI

Mr. N. Sudduth Calhoun to Embark in Business in the Queen City and Reside There

Mayaville is to lose one of her most valuable citizens and most interesting families.

Mr. N. Sudduth Calhoun, one of the valued employees in the State National Bank, where he has been bookkeeper for the past several years, will tender his resignation, effective December 1st, and will move to Cincinnati with his wife and children, where he has rented a suburban home and will later take up his duties as Secretary and Treasurer of the newly incorporated John Deere Manufacturing Company, a new concern just organized for the purpose of manufacturing electric and water-power washing and ironing machines. The new Company owns the patent rights to make these new machines and it is said that there is a handsome fortune assured Mr. Calhoun and the Cincinnati men who have financed the concern with him.

The resignation of Mr. Calhoun from the State National is deeply regretted, both by the officials and the public, as he has won a fine standing in Mayaville business circles by his uniform courtesy and strict devotion to his work. However, the most kindly wishes follow him and his to his new home in the big Queen City.

Mr. Andrew Taylor of the Bank's force will succeed to Mr. Calhoun's position and Mr. Clint C. Calvert will step up to Mr. Taylor's place.

### FARMER'S WIFE HAD HEAP TO DO

Mrs. Shepherd Was in Bad Shape When She Could Not Stand on Her Feet.

Durham, N. C.—"I am a farmer's wife," writes Mrs. J. M. Shepherd, of this city, "and have a heap to do." "Four months ago I could not stand on my feet, to do anything much, but at this time I do the most of my work. I took Cardui and it did me more good than all the doctors."

"You don't know how I thank you for the Cardui Home Treatment. I wish that all women who suffer from womanly trouble would treat themselves as I have. Ladies can easily treat themselves at home, with Cardui, the woman's tonic. It is easy to take, and so gentle in its action, that it cannot do anything but good."

Being composed exclusively of vegetable ingredients, Cardui cannot lay up trouble in your system, as mineral drugs often do. Its ingredients having no harsh, medicinal effects, and being non-poisonous and perfectly harmless, Cardui is absolutely safe for young and old.

Ask your druggist. He will tell you to try Cardui.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

### SNAPPED UP

The brick street bonds sold yesterday by the city were taken in a jiffy by the State National Bank at par value and accrued interest, and were greedy for more. It had been the intention of the city authorities to sell \$15,000 in city bonds, but owing to the fact that property owners were coming forward and paying their assessments so rapidly only \$13,500 was offered.

### COLLEGE PRESIDENT

Recent Visit of Head of Johns Hopkins University to Danville

The Basilek, published by and for the students of Centre College, Danville, publishes the following in its issue of November 16th, which will be of interest to many in this city and county—

"The entire student body was addressed Friday shortly after noon by Dr. Ira Remsen, President of Johns Hopkins University. When it was learned that this noted chemist and educator would reach Danville too late for the regular Chapel service at 10:15 a. m., it was decided to move up the hour for Chapel to 12:15 p. m.

"At that hour Chapel was begun with three Presidents on the platform—Dr. Hittitt of Centre, President Acheson of Caldwell and the guest of honor, President Remsen of Johns Hopkins. President Acheson led in prayer, after which Dr. Hittitt introduced Dr. Remsen as the President of the only institution in America which really deserves the name of University. Dr. Remsen then spoke.

"His subject was 'Johns Hopkins University.' It was highly reminiscent of the early days of that institution, its foundation and its founders. He told how the idea of a graduate school was determined on, as well as the difficulty under which it was launched in 1876. Dr. Remsen recalled the storm raised when Hurley made the address at the opening of the University and told the history of the first Faculty of which Dr. Remsen and Prof. Gildersleeve are the only surviving members. He also touched lightly on the better known University as it is known today and declared himself opposed to lavish expenditures for fancy architecture in buildings devoted to education.

"Dr. Remsen's speech was filled with a delightful humor and his interesting remarks stimulated among his hearers an active interest in Johns Hopkins. After his address, Dr. Remsen dined with Dr. F. W. Hittitt and devoted the afternoon to inspection of our department of chemistry and expressed himself highly pleased with the work being done at Centre."

### ROOSEVELT COMES BACK

Ex-President Roosevelt lectured to 3,000 people at Washington City Friday night and was given a great ovation by the most distinguished men of the Nation. He visited the White House and was given a cordial reception on every hand. His lecture was about his African hunt. At the National Press Club, the Colonel was accorded an old-time welcome. Closing he said:

"My friends, I am very deeply touched by your kind way of greeting me, and I do hope you understand how genuinely I feel it. I do not want to make any comments."

Mr. Roosevelt joined in the laugh that followed and added, "I was thinking of one, however, that would be sufficiently inclusive. I wish to say that every day has his day, but the nights belong to the cats."

The gage marks 7.5 and falling.

PARADISE.

I would like to go to heaven.  
For I'll tell you plain and flat  
I would like to hear a service  
Where they do not pass the hat.

Virginia, the little daughter of Sheriff and Mrs. W. H. Mackoy of East Second street, is quite ill.

Mrs. John J. Altmeyer left yesterday for Lexington, called by the serious illness of her sister, Mrs. J. J. Fitzgerald.

THE PUBLIC LEDGER is giving away one of the nicest 7-piece kitchen sets you ever saw with each yearly subscription and 75 cents in cash—\$3.75 in all—and that will please the "queens of the kitchen"—the women. Come in and see them. We have sold 17 sets of our 45-piece dinner sets—only a few left.

**WE HANDLE COAL**

That will give you as much satisfaction in the burning as we have in the selling. It is so clean and free from stones, slate, etc., that every ounce of it will give you good service. Better let us send you up a ton or more. When we say a ton we mean a ton of all coal, not a ton part coal and part the weight of the driver.

Democratic majority 63.

There may be some slight change, but the vote will hardly vary one either way.

**Suit or Overcoat**

Our aim is and always has been to give better values for these prices than you will find elsewhere. Our purchasing power is such that we are frequently sought after by manufacturers who wish to dispose of goods for "Spot Cash." An opportunity of this kind presented itself in the past few days.

Look in our clothing windows and see the Suits and Overcoats we are offering for \$14.50. At same terms we bought them "Spot Cash."

These Suits and Overcoats come in so many different fabrics, shades and styles that we have not the space to enumerate nor window space to exhibit them all. "Come in and look through them."

We add a clause to our Shoe advertisement that is somewhat unique, we don't believe there are many Shoe Houses that do it. We guarantee "every pair" we sell, including shiny leathers, to give reasonable satisfaction. We sell the kind that justifies the guarantee. No startling bargains in our shoe lines, but the best Shoes made in the world.

**EMBROIDERIES**

Women are fast realizing the economy of buying better grade embroideries instead of the cheap showy article which does not give satisfactory service. The new embroideries we are showing are carefully stitched on hand looms by intelligent workmen who have generations of skillful training to guide them. The line embodies many reproductions of hand work. Special values in match edges and insertions at 15c, 25c yard.

**PEERLESS HOSIERY**

Peerless Hosiery is made to resist wear at the most vital points—heel, toe, sole and top. It fits close at instep and ankle and it is so elastic this snug fit is not sacrificed by laundering, no matter how often that is done. Examine it closely. Notice the even weave, the smooth texture, the absence of seams, the double heel, toe, sole and top. For men, women and children at four prices, 15c, 25c, 35c, 50c. Black only.

**HALF PRICE HATS,**

White caracul bonnets for children 2 to 5 years and hats in 3 to 7 year sizes at half price. This pretty and comfortable headwear is perfect in quality and workmanship but shows traces of handling so the price is cut from 50c to 25c.

**HOUSE BURNED**

**Narrow Escape of Two Inmates—Good Work by Firemen**

The home of Caroline Haley, colored, in Bank street, between Fifth and Sixth streets, was practically destroyed by fire yesterday morning about 11:30. The fire is supposed to have originated in a defective flue in the kitchen, for when discovered the entire roof was burning.

The alarm was sent in from the Almshouse by a young boy who gave the wrong District and in consequence the firemen were for a short time misled. However, they were on the scene with their usual promptness and were not long in being masters of the situation.

Owing to the rapid progress of the fire when discovered very little of the household goods were saved, and all of the bedding and wearing apparel of the family was destroyed. Mrs. Haley is a widow woman and the loss falls heavily on her.

All the members of the family, with the exception of a sick child and an invalid daughter, were absent at the time, and had not neighbors rushed to the rescue of the two inmates it is thought they would have perished in the flames.

There was a small amount of insurance.

Reserve your seat for Roney Bros. Now on sale at Williams' Drugstore.

**WHITE SLAVE TRAFFIC**

Mr. J. Paul Daley, a representative of the White Slave Vigilance Society of Cincinnati, is in the city and will lecture, under the endorsement of the Ministers of this city, this evening at 7:30 o'clock at the M. E. Church, South. The object is to form a circle of the Society in Maysville, and according to information given out by Mr. Daley to a representative of THE LEDGER the aid town is in need of some such a society for a fact. It will be worth while to hear what the gentleman has to say on the subject. He may tell us something of home affairs that we are not familiar with.

A SHORT crop of potatoes in France has forced the Government of that country to suspend the prohibition against import of potatoes grown in the United States, which went into effect in 1875.

FIGURES of the American Railway Association show that there are 2,272,482 freight cars in service in the United States. Those fitted with air brakes number 2,251,025. There are 62,223 locomotives in use.

THE very first week after the election there were 6,000 empty railroad cars added to the list. And so it goes when the Democrats win at the polls. Empty dinner pails, empty market baskets and empty freight cars spell Democracy. This is no joke and no lie, but the plain, unvarnished, historical truth.

Operating expenses for 1910 were \$20,839,570, nearly \$2,300,000 over 1909.

THE Hudson and Manhattan Railroad is now operating more than 2,200 trains a day in the tunnels under the Hudson river between New York, New Jersey and Hoboken. This is the largest number of trains operated daily on any double-track railroad in the world. During the rush hours the headway of trains in and out of the Cortlandt Street Terminal Station is only one minute.

The political boss of a small Western city drove his buck-board at top speed down the main street on the morning of an election.

"Hey, Johnnie!" he yelled to his son, "git down in the Fourth Ward quick! There's people down there votin' as they blame please!"

The alarm of fire last night was caused by a big brush heap burning below the C. and O. Depot.

## DON'T SAY YOU'RE OLD

You only feel old.  
Digestive organs are weak—don't assimilate food as they used to.  
Other organs act more slowly and less effectively.

Blood is thin and sluggish.  
Renewal of strength does not equal the wear and tear of your system.

That's what makes you feel old.  
Nothing in the world will tone up and invigorate those weak, backsliding organs, make rich blood and create strength so quickly as Vinol.

Vinol is not a secret nostrum, simply the medicinal elements of the cod's livers with the useless nauseating oil eliminated and tonic iron added. Try a bottle of Vinol with the understanding that your money will be returned if it does not make you stronger, feel younger and give you an added interest in life. John C. Pecor, Druggist, Mayeville, Ky.

## Free for Stomach and Bowels

We are in receipt of letters from Mrs. Eva Gaskins, 304 Madison St., Topeka, Kans., and Mr. P. H. Gavelas, Wagoner, Okla., as well as many others, telling about the wonderful results they have secured in the cure of their stomach and liver troubles by the use of Dr. Caldwell's Syrup Pepsin.

This remedy, as all readers doubtless know, has been before the public for a generation and is now being more extensively used than any other remedy for stomach, liver and bowel complaints. According to reliable testimony, it seems to be a very quick and lasting cure for constipation, indigestion and dyspepsia, liver trouble, biliousness, headaches, sour stomach, gas on the stomach, drowsiness after eating and similar disorders. It is a liquid with tonic effect and can be dispensed with. A free sample bottle can be had for trial by sending your address to the doctor, for in this way Mrs. Gaskins, Mr. Gavelas and many others first learned of the cure. Later, when satisfied it is the remedy you need, do as others are doing and buy it of your druggist at fifty cents and one dollar a bottle.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.
